Notes

- Each cell/rectangle represents one card and two rows.
- The border cards are included in the threading diagram. They do not appear in the pattern chart or written turning instructions. They always turn forward.
- The design outline shows the points where the color changes from foreground to background & vice versa. It is not a turning instruction.
- Rows (picks) 1 to 4 and 33 to 36 are plain doubleface with no foreground pattern.

Starting at the bottom of the chart:

Rows 1 + 2: Turn background pattern cards and border cards forwards. Turn any foreground pattern cards backwards.

Rows 3 + 4: Turn background pattern cards backwards and all other cards forwards.
