Key:

2F = turn the next two cards
 $\frac{1}{4}$ turn forward

5B = turn the next five cards
1/4 turn backward

ctd** = move to next chart
and start at **

Notes

About the chart:

- Each square represents one card and two rows.
- The border cards are included in the threading diagram. They do not appear in the pattern chart or written turning instructions. They always turn forward.
- The design outline shows the points where the color changes from foreground to background & vice versa. It is not a turning instruction.

Starting from the bottom of the chart:

Rows 1 + 2: Turn background pattern cards and border cards forwards. Turn any foreground pattern cards backwards.

Rows 3 + 4: Turn background pattern cards backwards and all other cards forwards.

And so on...

Twist

This pattern is not twist neutral. You will notice the twist build up on the central cards in particular.
